Worldwide 40 Day Prayer Call

Global Call for 40 Days Prayer, Fasting and Repentance

August 6th – September 14th, 2013

The global call inspired by The National Day of Repentance and The Australian Prayer Network for a 40-day period of prayer will conclude on Saturday, September 14, 2013. This International Day of Prayer, Fasting and Repentance coincides with *Yom Kippur*, the Hebrew Old Testament National Day of Atonement.

The team at the National Day of Repentance, aware of the historic importance of September 14th as an International Day of Prayer, Fasting and Repentance and also the ancient Biblical Day of Atonement, decided to talk with International Prayer Leaders about a worldwide prayer focus. After the success of gathering [28 countries to pray and fast for 72 hours for the USA](#) in early May, they held a period of consultation with international prayer leaders.

It was decided to call the whole world to 40 Days of Prayer, Fasting and Repentance in the lead up to Yom Kippur on September 14th, 2013. We greatly appreciate the supportive prayers of the praying people worldwide for this global call of 40 Days of Prayer, Fasting and Repentance as the core problems are the same across the globe. Governments cannot fix these problems, only Jesus Christ can. We need God's intervention across the whole world at this time. We need revival and repentance not only in our nation, but in the nations of the world.

Pastor Jeff Daly, one of the Directors of the National Day of Repentance Ministry helping to organize this International call to prayer said, *"The Lord is pouring out His Holy Spirit and is awakening His Bride. It's time throughout the entire body of Christ for all lukewarmness to be removed through everyday repentance, prayer, fasting and worship---- and He is asking each of us to let Him in to our hearts, today, to help each of us remove the lukewarmness and fully experience Him. (Revelation 3: 19-21)."*

We believe it is time to humble ourselves before God, praying and fasting and repenting with fervency and urgency for ourselves, the Church and the nations. As the worldwide Body of Christ, let us come before God and cry out for healing, revival and transformation as it says in 2 Chronicles 7:14.
